The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-291-1425 or go to www.umwafunds.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$325 <u>deductible</u> / family for physician and non-hospital and related services	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. Preventive care by a Participating Provider List (PPL) provider and routine vision care services are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	Yes. \$325 <u>deductible</u> / family for hospital and related services \$300 <u>deductible</u> for any service obtained without required <u>precertification</u> There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.  The \$325 hospital-related <u>deductible</u> applies to inpatient <u>hospitalizations</u> , Skilled Nursing Facility admissions, and outpatient <u>emergency room services</u> .  The \$300 <u>deductible</u> for services without required <u>precertification</u> is not applied to the <u>out-of-pocket limit</u> .
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$1,000 / family for physician visits and hospital and related charges \$1,000 / family for prescription drugs	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out-of-pocket limit</u> ?	\$300 deductible for any service obtained without required precertification, the extra cost of using brand name or non-preferred drugs, balance-billing charges, and health care this plan doesn't cover.  (This plan has no premiums.)	Even though you pay these expenses, they don't count toward the <u>out–of–pocket limit</u> .

Will you pay less if you use a participating provider?	Yes. See <u>www.umwafunds.org</u> or call 1-800-291-1425 for a list of participating <u>providers.</u>	This <u>plan</u> uses a Participating <u>Provider</u> List (PPL) <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an out-of- <u>network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
