Re: Opinion of Trustees
Resolution of Dispute
Case No. 315

Pursuant to Article I of the United Mine Workers of America 1950 Benefit Plan and Trust, and under the authority of an exemption granted by the United States Department of Labor, the Trustees have reviewed your Request for Advisory Opinion concerning payment of charges for lodging while receiving outpatient care at an out-of area medical center.

Under Article III (7) (e) 1 of your Employer's Benefit Plan, benefits are provided for transportation if the needed medical care is not available near the Beneficiary's home and the Beneficiary must be taken to an out-of-area medical center. According to the information submitted, your Employer paid the charges for travel, meals, and lodging for you and your spouse while in transit, as provided in the Funds' Travel Policy (attached hereto).

However, your Employer has denied payment of lodging expenses while you were an outpatient at the out-of-area medical center. There is no provision in your Employer's Benefit Plan or in the Funds' Travel Policy which requires your Employer to pay for such charges even though you were receiving outpatient treatment at an out-of-area medical center. Therefore, your Employer is not responsible for the charges for lodging for you and your spouse, incurred while you were an outpatient at an out-of-area medical center.

Sincerely,

Harrison Combs, Chairman

John J. O'Connell, Trustee
