Board of Trustees: Joseph P. Connors, Sr., Chairman; Paul R. Dean, Trustee; William B. Jordan, Trustee; William Miller, Trustee; Donald E. Pierce, Jr., Trustee.

Pursuant to Article IX of the United Mine Workers of America ("UMWA") 1950 Benefit Plan and Trust, and under the authority of an exemption granted by the United States Department of Labor, the Trustees have reviewed the facts and circumstances of this dispute concerning the provision of health benefits coverage under the terms of the Employer Benefit Plan.

Background Facts

The Complainant's last signatory classified employment in the coal industry was with the Respondent from March 12, 1981 until December 31, 1984. The Complainant was awarded an Age 55 retirement pension under the 1974 Pension Plan, effective August 1, 1986. The Complainant was advised to contact his last signatory employer, the Respondent, regarding his eligibility for health benefits coverage. The Respondent was provided a copy of that letter. The Complainant states that the Respondent has refused to provide his health benefits coverage.

The Respondent is signatory to the National Bituminous Coal Wage Agreement ("Wage Agreement") of 1984. Funds' records indicate that the Respondent ceased operations sometime in February 1987.

Discussion

Article XX Section (c)(3)(i) of the 1984 Wage Agreement requires each signatory Employer to establish and maintain an Employer Benefit Plan to provide health and other non-pension benefits for Pensioners whose last signatory classified employment was with such Employer. The Wage Agreement stipulates that benefits provided by the Employer pursuant to such Plan shall be guaranteed during the term of the Agreement by that Employer at levels set forth in such Plan.

Article II B. of the Employer Benefit Plan provides health benefits coverage for a Pensioner who is receiving a 1974 Pension Plan pension, other than a deferred vested pension based on less than 20 years of credited service or a pension based in whole or in part on years of service credited under the terms of Article II G. of the 1974 Pension Plan. Inasmuch as the Complainant's last signatory classified employment was with the Respondent and he is receiving a 1974 Pension Plan Age 55 retirement pension, the Respondent is responsible for providing health benefits coverage for the Complainant as a Pensioner, effective August 1, 1986.

A Pensioner may be entitled to coverage under the 1974 Benefit Plan and Trust only if it is determined that the Pensioner's last Employer is "no longer in business." Such determination is made by the Trustees under established procedures separate from the ROD procedures.

Opinion of the Trustees

The Respondent is responsible for providing health benefits coverage for the Complainant and his eligible dependents effective August 1, 1986.
