
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-291-1425 or go to [www.umwafunds.org](http://www.umwafunds.org). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-291-1425 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	\$150 <a href="#">deductible</a> / family for physician and non-hospital and related services	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the policy, the overall family <a href="#">deductible</a> must be met before the <a href="#">plan</a> begins to pay.
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. <a href="#">Preventive care</a> by a Participating <a href="#">Provider List (PPL)</a> provider and routine vision care services are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	Yes. \$150 <a href="#">deductible</a> / family for hospital and related services, \$300 <a href="#">deductible</a> for any non-PPL service obtained without required <a href="#">precertification</a> , and \$50 deductible / individual for dental services (does not apply to <a href="#">preventive</a> services). There are no other specific <a href="#">deductibles</a> .	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.  The \$300 <a href="#">deductible</a> for services without required <a href="#">precertification</a> is not applied to the <a href="#">out-of-pocket limit</a> .
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	\$1,000 / family for physician visits and hospital and related charges \$1,000 / family for <a href="#">prescription drugs</a>	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , the overall family <a href="#">out-of-pocket limit</a> must be met.

Important Questions	Answers	Why This Matters:
What is not included in the <a href="#">out-of-pocket limit</a> ?	\$300 <a href="#">deductible</a> for any service obtained without required <a href="#">precertification</a> , the extra cost of using brand name or non-preferred drugs, <a href="#">balance-billing</a> charges, <a href="#">premiums</a> for dental benefits, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a participating <a href="#">provider</a> ?	Yes. See <a href="http://www.umwafunds.org">www.umwafunds.org</a> or call 1-800-291-1425 for a list of participating <a href="#">providers</a> .	This <a href="#">plan</a> uses a Participating <a href="#">Provider</a> List (PPL) <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an out-of- <a href="#">network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
