

Starting February 15

Get no-cost* at-home COVID-19 tests at CVS Pharmacy®

Who is eligible to participate?

Applies to members of participating insurance plans.

Where do I go to place an order?

Visit **CVS.com**® or the **CVS Pharmacy app** and click on “At-home COVID-19 tests”

How will I know what stores are participating and if they have product available?*

Enter your zip code and we will provide details on the closest store and product availability.

What will I need to receive at-home COVID-19 tests at no cost?

Prescription insurance information is required.

Where do I go to pick up my order?†

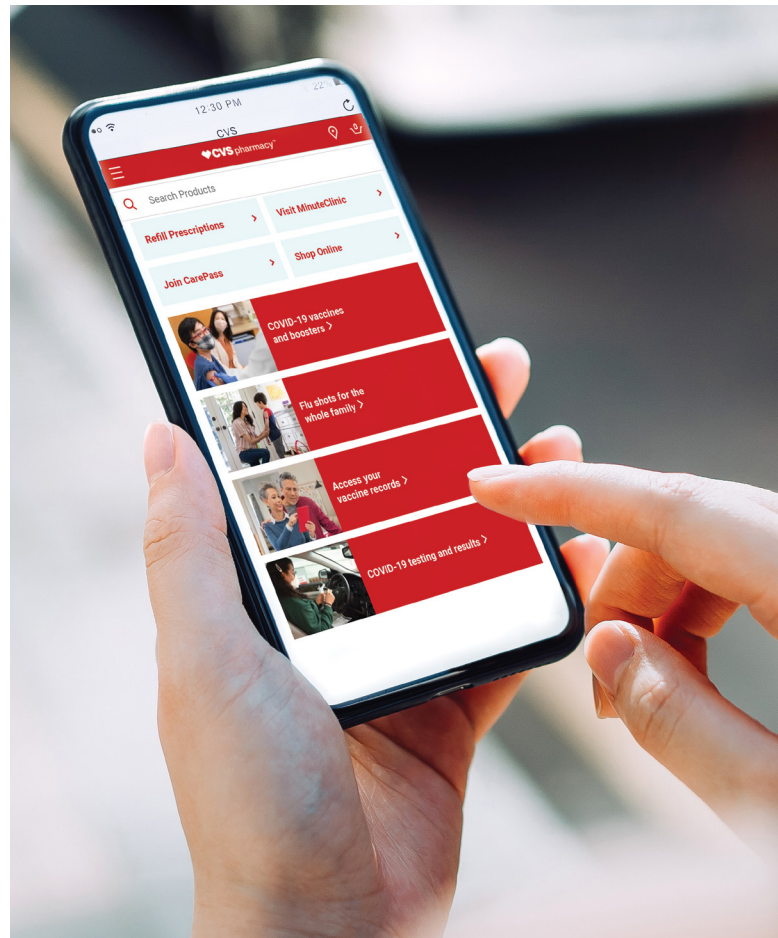

Once you receive a confirmation from CVS Pharmacy, your order will be waiting for you at the front store register. Orders will be held for 72 hours and cannot be picked up at the drive-thru.

Can I get no-cost at-home COVID-19 tests delivered to my home?

If you want the tests delivered to your home, you can pay out-of-pocket and submit your receipt directly to your health insurance provider for reimbursement.

What if I don't have a computer or mobile phone?

You can save your receipt and submit it directly to your health insurance plan.

* You must be enrolled in an eligible health plan and may qualify to be reimbursed for up to eight (8) at-home COVID-19 test per month. Please note that, while you may be eligible for up to eight (8) tests, inventory may be limited.

** Only available at select CVS Pharmacy® locations. Pickup is available instore only and not through the drive-thru. Not available at CVS Pharmacy inside Target or Schnuck's.

† CVS is not accepting returns of at-home COVID-19 tests. Defects with the product should be directed to the product manufacturer. At-home COVID-19 tests are excluded from all coupon discounts and promotions, including CarePass® and ExtraBucks Rewards®.
