## UMWA Health & Retirement Funds Supplemental Formulary

### Preferred Product Program Drug List <sup>1</sup>

for American Consolidated Natural Resources, Crimson Oak Grove Resources and the UMWA International plans

The Funds Supplemental Formulary Preferred Product Program has preferred drugs that are available to the beneficiary at the standard copay. If a non-preferred drug within these classes is selected, the beneficiary will be required to pay the standard copay plus an additional charge. Additional classes may be added in the future. If you have questions, please call CVS Caremark® Customer Care at 1-800-294-4741. The current Funds Supplemental Formulary Preferred Product Program Drug List is as follows:

| <b>DRUG CLASS</b>   | <b>PREFERRED</b><br>(standard copay)                                  | <b>NON-PREFERRED</b><br>(extra charge)       |
|---|---|--|
| <b>Antidiabetics, DPP-4 Inhibitors</b>                                  | saxagliptin<br>JANUVIA  | ONGLYZA<br>TRADJENTA                         |

<sup>1</sup> Some products on this list may be covered under the Federal Black Lung Program. Products on the Black Lung List are not subject to the terms of the Funds Preferred Product Program. Please contact the Funds Call Center for more information if you have any questions about the Federal Black Lung Program Benefits.

Note: Brand names listed on the preferred column may be subject to a change of status when a generic or OTC version becomes available.

All medications contained in this list are subject to coverage based on FDA-approved maximum dosage(s).
